

# LEADERSHIP BIO

## Michael D. Williams, FACHE

President and CEO

Mike Williams serves as the President and Chief Executive Officer of CHC. A frequent national speaker on the preservation of community hospitals, Mike brings over 30 years of executive management, board relationship management and an understanding and passion for the not-for-profit mission of the healthcare industry to the CHC team.

Prior to being the founding executive of CHC, Mike served as President of the Baptist Hospital in Knoxville, Tennessee, EVP and COO of The Children's Medical Center and Vice President for Baylor University Medical Center, both in Dallas, Texas.

Mike graduated from the University of Alabama and holds a Masters Degree in Health Administration from the Medical Center in Birmingham where he was named outstanding alumnus in 2003.

He was the 2010 Chairman of the Board of the Texas Hospital Association and a Fellow and past Regent with the American College of Healthcare Executives. Mike is a member of the University of Alabama at Birmingham Dean's Advisory Board, School of Health Professions and is also active in several local Dallas area boards.
